

In the diocese of York

Parish of Kirk Fenton

Church of Church Fenton: St Mary

Ref: 2023-091439

NOTICE IS GIVEN that St Mary's have applied to the York Diocese for the felling of the two pine trees opposite the South porch. These are cited as being the most likely cause of the movement of the porch as noted in the quinquennial report. The structural engineer advises that these are removed to stop further movement as they are presenting a substantial risk of damage to the church building.

Replacement planting will take place and these will be a native species suitable for Church Fenton.

If you wish to object to these works or proposals, you should send a letter stating the grounds of your objection to the Churchwarden at:
